### **Employment Opportunity**

**Position Title:** Substitute Preschool Teacher or Assistant

#### **Description:**

4Cs has a great need for substitute Teachers and Assistants in our thirteen child development centers and preschools throughout Sonoma County. Substitute Teachers must have completed 12 or more ECE units and are paid \$10.00/hour to start. Substitute Assistants, those with 6 to 11 ECE units, start at \$9.00/hour, and Substitute Aides, those with 0-5 ECE units, start at \$8.00/hour.

We offer great flexibility in establishing your on-call schedule. You may specify the days and hours that you are available as well as the centers at which you are willing to work.

Substitute teaching in our child development centers is an excellent way to find out about our regular positions and apply for them when they become available. Many of our substitutes have moved into regular center positions with fixed hours and benefits.

To get on the substitute list, please call Edelmira Campos at (707) 544-3077. She will register you for the next available orientation meeting.
