July 19, 2018

Dear Community Member,

4Cs is hosting its annual Champions for Children Recognition Luncheon on November 9, 2018 at the Santa Rosa Golf & Country Club. The event honors six community leaders who are advocating and working on behalf of children in Sonoma, Napa and Marin Counties. In addition, we will be recognizing one individual with the Sonoma Strong Award this year.

The Champions for Children Recognition Luncheon is a fundraiser for 4Cs, with proceeds benefiting thousands of low-income families in Sonoma County in need of quality child care and preschool programs. Quality early education is not only important to the development of the children we serve, but also allows parents and caretakers to continue to work or attain vocational education. With child care subsidies, families are able to get back on their feet and save towards a future life and home in Sonoma County.

The purpose of Champions for Children is to celebrate and recognize the award recipients, who tell their stories through a video presentation. Champions are selected from public nominations by an independent Selection Committee, made up of local business and community leaders. The six 2018 Champions for Children award recipients will express the values and principles of the 5 protective factors for families: Parental Resilience, Positive Social Connections, Concrete Support in Times of Need, Knowledge of Parenting and Child Development, and Social and Emotional Competence of Children.

Our hope is that attendees will leave the Champions for Children Recognition luncheon feeling inspired to act on the mission of 4Cs: to provide access to quality child care and early education in Sonoma County through advocacy, direct service and empowerment.

We hope you will consider becoming a community partner of this inspirational event. Please see attached a list of partnership opportunities.

Thank you for your consideration.

Sincerely,

Tiffani Montgomery
Community Relations Director
