

CHOOSING CHILD CARE CHECKLIST

The questions on this list are suggestions and you may have other considerations that are important to you. You do not need to ask every question. Look for the things that are valuable to you and ask all providers the same set of questions, so you can compare. It is important to find a program where both you and your child feel comfortable and secure. Please call Resource and Referral staff at (707) 544-3077, if you have any questions or concerns.
