4Cs Now Hiring: Substitute Teachers

*Do you have a passion for working with children?
Do you have experience in Early Childhood Education?*

4Cs is hiring substitute teachers in our preschools located throughout Sonoma County. The number of weekly work hours is not guaranteed. Substitute teachers fill in for regular staff members on an "as needed" basis. We offer flexibility in establishing your on-call schedule; you may specify the days, hours, and locations you are available to work.

Throughout our programs we believe that learning success for young children is built upon trusting relationships supported by nurturing adults. Our programs are hands-on, intentional, play-based opportunities for curiosity, exploration, and discovery. We provide attention to individual needs and interests and work together with family and caregiver partnerships to support children's development.
