

What is Quality Counts Coaching?

Quality Counts Coaching is a quality improvement, recognition, and support program for early care and education sites in Sonoma County.

By participating in **Quality Counts**, programs will receive:

- Access to local free or reduced-cost professional development trainings.
- Ongoing on-site support, training, and coaching.
- Financial and/or material participation incentives (when funding allows).
- Recognition by our Building Blocks program (optional).

Eligibility

Anyone who provides care or education for a child (ren) ages 0-5 qualifies for our support!

How to Participate:

- Contact us and you will be connected with a coach who will support you with your current needs related to caring for young children.
