4Cs Weekly Activities - February 14-18, 2022 Theme: Friendship

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Literacy</p> <p>A Friend Like You</p> <p>https://www.youtube.com/watch?v=ZXbxWBoDB68</p> <p>These two friends didn't have much in common at first. They were very different, but they were flexible and enjoyed each other's differences and became best friends.</p> <p>Now pick a friend to do the friend's quiz with</p> <ol style="list-style-type: none"> 1. Favorite food 2. Favorite game 3. Favorite color 4. Favorite story <p>Do and your friends like different things or same?</p>	<p>Math Cooperative Shape Mural</p> <p>Materials: small paper squares and rectangles, scissors, glue sticks, 1 large sheet of paper.</p> <p>Introduce the square and rectangle shapes to the group by noticing how they are different, (long sides) and how they are the same(number of sides)</p> <p>Now children can cut more shapes and glue cooperatively.</p> <p>Children will work together to put the small shapes together to create larger shapes and a new shape.</p> <p>Children can cut the square in half to create a rectangle or cut on a diagonal to create a triangle.</p> <p>Children can work together to glue squares together to make a large square and a large rectangle</p>	<p>Science Oil and Water Bottles</p> <p>Materials: small empty water bottles, oil, water, food color</p> <p>Oil and Water don't mix but there are so cool together!</p> <p>Children can measure a little color and pour it into their water bottle and observe what happens. Now add a little oil to the water and observe what happens. (The water and color will mix but the oil will always separate) Now they can shake it and try to mix the water and oil and watch it separate.</p> <p>What do you think will happen when we mix a little water and color together?</p> <p>What do you think will happen when we add a little oil to the water?</p> <p>Why do you think oil and water will not mix together, but the water and color mixed?</p>	<p>Art: Friendship Painting</p> <p>Materials: Large pieces of paper, paint and brushes.</p> <p>Two friends can work together to create a beautiful painting using one large sheet of paper and paints. Ask children to choose a painting friend and write both names on the paper. Remind friends this is Friendship painting and they will have fun being creative together, sharing the space and paper and paint.</p> <p>Encourage the children to talk to each other about what they are painting.</p> <p>The large paintings can be put together to make a friendship display.</p>	<p>Social Emotional</p> <p>Best Friend Puppet Shows</p> <p>Make up stories using two puppets. Two friends work together each picks only one puppet. Now they can make up a story to tell about their new best friend(the other puppet ☺</p> <p>If children need prompting ask their puppets name and then you can help them start the story.</p> <p>One day _____ went to find her best friend _____at the _____.</p> <p>When she got to the park her friend _____ said: Hey friend want to come and play_____...</p>
