4Cs is hosting our annual **Champions for Children** Recognition Luncheon on November 3rd, 2023, at the Bennett Valley Golf Course. We want to celebrate with those who have improved the education standards and safe surroundings for children. The event honors six community leaders who are advocating for and working on behalf of children in Sonoma, Napa and Marin Counties. The categories are: **Inspired Start** – 0 to 5 Early Care and Education; **Inspiring Education** – K through 12 Education; **Strong Families** - Public Service/Agency; **Healthy Communities** - Health and Medical; **Safe Surroundings** - Business/Foundation; and **Positive Social Connections** - Peer Leadership (under 35 years old).

Our Champions are nominated by the public and chosen by an independent Selection Committee, made up of local business and community leaders. The six 2023 Champions for Children award recipients will express the values and principles of the **Strengthening Families 5 Protective Factors: Parental Resilience; Positive Social Connections; Concrete Support in Times of Need; Knowledge of Parenting and Child Development; and Social and Emotional Competence of Children.**

The Champions for Children Recognition Luncheon is a fundraiser for 4Cs, with proceeds benefiting thousands of under resourced families in Sonoma County who need access to quality child care and preschool programs. Quality early education is not only important to the development of the children we serve, but helps families get back on their feet and save for a future life and home in Sonoma County.

We welcome you to become a community partner for this inspirational event. The need for quality child care and early education is not only a family issue, but also an issue that needs to be addressed by *businesses* and *all of us* in Sonoma County. For healthy economic growth we need your investment so that employees can send their children to a safe learning environment. Please see attached a list of partnership opportunities to invest in the secure growth that our county needs.

Our hope is that attendees will leave the Champions for Children Recognition luncheon feeling inspired to act on the mission of 4Cs: *To provide access to quality child care and early education in Sonoma County through advocacy, direct service, and empowerment.*

Be a **Champion** of 4Cs!

Sincerely,

Melanie Dodson
